MADE TO BE DRIVEN.

ALL-NEW
4TEC2.0
AWD CHASSIS

MODEL: 83056-6

The new Ford GT captured the world's attention with its unique, aerodynamically optimized shape, its extraordinarily powerful 3.5L EcoBoost® V6 engine, and a historic return after 50 years to win the legendary 24 Hours of Le Mans. Innovation abounds and everything about the Ford GT is designed to deliver pure performance.

Traxxas has captured the Ford GT in a stunning 1/10 scale replica that is faithful to the beautiful and functional styling of the incredible flying buttress design. Every detail is there including the taillights and exhaust tips. Built to be driven, this Ford GT replica rests on the Traxxas 4-Tec 2.0 chassis that's all-new from the ground up.

MADE TO BE DRIVEN.

| FORD PERFORMANCE

FEATURES

- Detailed licensed 1/10 scale 200mm Ford GT body available in three colors
- TQi™ 2.4GHz Radio System with Traxxas Stability Management (TSM)

- Waterproof electronics

ALL-NEW **4TEC2.0** AWD CHASSIS

The Traxxas Ford GT rides on the all-new Traxxas 4-Tec 2.0 chassis for the ultimate in on-road driving performance. The finely engineered Traxxas design keeps weight as low as possible for crisp, responsive handling. The chassis' modular interlocking design provides a rigid, tight platform for stable, predictable control.

- High-performance chassis with rigid Traxxas modular design
- Precision engineered suspension geometry provides superior handling
- Efficient shaft-driven all-wheel drive
- Traxxas-exclusive adjustable body mounts (sold separately) accommodate a wide range of body shapes and styles
- Staggered width high traction tires pre-glued on black chrome wheels
- Detailed brake rotors and multi-position calipers
- Exclusive dual rear camber mounting positions allow ultra low profile bodies
- Aluminum center driveshaft
- Integrated adjustable servo saver delivers precise steering response
- Bellcrank steering
- Angled front bumper improves driving on real-world pavement
- Quick-release, dual-height battery mount fits long format 7-cell battery packs
- Oil-Filled Ultra Shocks™
- Brushless Ready: VXL-3s ESC and Velineon 3500 motor bolt in with no modifications for extreme brushless power and speed

Part # 83056-6
UPC Number 020334830517
